*"How children learn influences who they become"--Dr. Maria Montessori*

Due to COVID-19 school closures, we are changing the format of our summer camp to summer school.

Our goal is to allow the child to return to a normal school routine so that academic, social, and emotional growth can continue.

## Getting Back to Normal!

- Individual attention
- Qualified Montessori teachers
- Montessori lessons
- Montessori morning work cycle at preschool/kindergarten and elementary/middle school
- Socializing with classmates

Registration forms and information available online at

**[www.maitlandmontessori.org](http://www.maitlandmontessori.org)**

**Due to the COVID-19 school closures, our usual summer *camp* format will instead be transformed into summer *school*, to help the children continue the development of their skills prior to the school closures. The children will enjoy a continuation of their learning using a traditional Montessori morning work cycle and the Montessori materials.**

## **FAQs for Summer School 2020**

1. *Academically, what will take place each day?*

The usual Montessori academic work cycle will take place each morning. The children will work in all areas of the classroom--Math, Language, Culture, Practical Life, Sensorial--each at their own individual level. The afternoon will be a choice for the child as weekly themed activities will be offered (please refer to the registration form).

2. *How will health and safety be protected during this time?*

- We will follow the most recent CDC guidelines. These are fluid as the COVID-19 protocols evolve. At the time of this writing, each classroom will contain nine students and one teacher. This could change as the CDC guidelines change.
- Classrooms will be sanitized each night with hospital-grade materials.
- The children's temperature will be taken each morning.
- Parents, guardians, and other non-school staff will NOT be allowed in the building.
- All children's health records must be up to date in order to attend.

3. *Financially, what will be required to guarantee my child's place?*

- When enrolling for any given period, a payment must be attached to your child's registration form to hold his/her place. If you only submit the registration form, we will hold the form as an "expression of interest" only; a place will NOT be guaranteed. (Remember, at this time, if CDC guidelines do not change, we will have a *maximum of 36 spaces available* for any week of the summer school program.)
